**Rx Choice Network
Nationwide
October 6, 2023**

The pharmacies listed in this directory participate in the Rx Choice network, operated by CarelonRx, Anthem's pharmacy benefit manager. If you are covered by Anthem, the pharmacies listed here are in your plan's network. If you have questions, call the Member Services number on your health plan ID card.

Welcome

With your Anthem health plan, you can choose from thousands of pharmacies across the country, including many local, independent pharmacies and national chains. This directory shows where you can easily have prescriptions filled, whether you're at work, at home — or even on vacation. All the pharmacies we've included are in your plan's network. You simply need to show your member ID card when you pick up prescriptions to take advantage of all your benefits have to offer.

CarelonRx has also identified certain pharmacies that offer flu shots as part of your benefits. Please call the pharmacy to be sure it's a participating location before you get your flu shot.

How we choose pharmacies for our plans

We offer pharmacy networks that give you choices and flexibility when filling prescriptions.

To ensure you have convenient access to pharmacies in your plan's network, we work with local and national providers including:

- National chains
- Grocery stores
- Independent pharmacies

The Rx Choice Network offers high-quality healthcare services while keeping copays affordable. You can choose to fill prescriptions at either a level 1 or level 2 pharmacy, but will likely pay less out of pocket at a level 1.

Level 1 pharmacies offer competitive pricing and convenient locations so you have plenty of choices.

This directory is correct as of the date shown. You can also find an up-to-date list of participating pharmacies at [anthem.com](https://www.anthem.com). If you have questions, call the Member Services number on your member ID card.
